

Local researcher and historian, Curtis Hodson, has spent many hours researching, compiling, and drawing maps of the townships of Preble County. Each land entry has the person, date and number of acres drawn on a map of the township. The result has been a book entitled, *PREBLE COUNTY, OHIO ORIGINAL LAND ENTRIES*. The sources he consulted in this endeavor are:

Preble County Recorder's Office--various deed papers located in the basement of the Preble County Court-house.

Riegel, Mayburt Stephenson, compiler. *Early Ohioans' residences from the land grant records*. Ohio Genealogical Society. 1976.

Short, Anita & Bowers, Ruth. *Preble County, Ohio deed records, Book 1, 1808-1821*. Published by the authors. 1978.

Short, Mrs. Don & Bowers, Mrs. Dale. *United States land entries from Preble County, Ohio*. Published by the authors. 1968.

A surname/given name/township/section index makes the book easy to use. Mr. Hodson has given the Preble County District Library permission to publish and benefit from the sale of this work.
